

EVENT REPORT TEMPLATE (Annex H to Quality Control and Monitoring Manual)

This template has to be filled by project partners (organisers) for all IF4TM events (except SC meetings). Furthermore, this template can be used to inform colleagues and partners about other events attended (promoting IF4TM). In the second case please just fill in the first page and delete the chapters thereafter.

Author:	Sanja Kojić (UNS)
Event Title:	Festival of Science 2016
Event Date:	7-8 Mmay 2016
Event Venue:	Campus, University of Novi Sad, Serbia
Type of event: (National, international, press conference, promotional event etc.)	Promotional event
Short description:	
<p>The basic prerequisite for the progress of any society is the development of science, also ongoing work on the education of young scientists is crucial for any modern society. The aim of these events is to get science closer to society, to make it more transparent and more obvious, break down prejudices, as well as to educate and alleviate some of the fears that arise in society by introducing new technologies.</p> <p>Festival of Science is becoming the traditional festival held every spring for the last 7 years in the campus of the University of Novi Sad. This event is designed for general public with the aim to inspire visitors for science through the live workshops, experiments, popular debates and tribune. This year motivation was "EVERYTHING IS POSSIBLE".</p>	
Organiser(s):	University of Novi Sad and Provincial Secretariat for Science and Technological Development
Agenda:	-
Total number of participants:	~ 15 000 visitors
