Short description:	
<p>In the organization of the Creativity Center of the University of Kragujevac at the Faculty of Engineering Sciences of the University of Kragujevac, promotion of the Competition for the best student idea was held on February 19, 2019. The students were presented with the opportunities offered by the competition and the rules of applying for the competition were further explained to them. A large number of students expressed interest in participating in the competition, and on this occasion they discussed initial ideas during an interactive presentation which ensured student success in a further competition. Students also expressed interest to attend trainings and workshops organized by the Creativity Center related to modern 3D technologies and the development of prototypes. On that occasion, they were presented with equipment provided in the Creative Center and workshops were arranged for the next period in which the students will take part.</p>
