EVENT ROLLOUT

Some general information (to be filled by organisers)

Concept of idea, and development of this concept in to fully developed innovation is one of the main objectives of IF4TM project. Students involved in to Competition for best students idea had opportunity to be introduced on Work shop with concepts and path development from creative thinking up to potential innovation.

First stage of this path is introduction to creative thinking and creativity. Students were introduced with concepts of crea-methods and using neuro cards. Second important issue was elaboration of six stage model for improving and search for creative ideas used in SME.
